

Goldfields FM 99.1

MEMBERS NEWSLETTER. 1 - 2010.

Welcome to our first newsletter for 2010.

We hope that all our Members had a wonderful Festive Season.

The Board and Management of Goldfields FM would like to wish all our Members a very happy, safe and healthy New Year.

Relocation is progressing slowly, but surely, with the interior of the building starting to take shape. We are currently looking at moving the office to the new Community Hub by the end of March this year. Please check our website for up to date photos - our thanks to Alan Comley for his excellent work taking these photos, job well done. Website: www.goldfieldsfm.org.au.

Our first-ever outside broadcast took place during the Energy Breakthrough. A job very well done - many thanks to our Technician for all the hours he put in to making this possible. Also thanks to all our volunteers and the O.B. Committee.

Christmas Dinner was also extremely successful with 70 members and friends enjoying the evening. A good time was had by all. We have already been approached about our next function. Stay tuned. Thanks to everyone, especially our volunteers, for your assistance.

Our final screening for 2009 at the Paramount Theatre was a great success. Another exciting year is ahead for our movie

goers and, of course, Movie Club members. Movie Club membership is currently standing at 140 and increasing steadily.

Goldfields FM Radio Country music concerts will also recommence with the first concert scheduled for Sunday 14th March. Artists will be announced shortly.

We are very pleased to advise that we have received our second grant (our first Australian Government Grant) for \$3,000 for the purchase of new office equipment, which is very much needed.

Fundraising from January 2009 to 5th December, 2009 totalled \$38,343.00. A wonderful effort for such a small group. Well done all.
